Q. If I join, will I be expected to play in matches and competitions?

The only thing we expect you to do is enjoy yourself.

There are matches and competitions all summer, but you only join in when you feel you are ready, there is no pressure to do so.

Taster session/Development sessions are organised as required.

Most Monday and Thursday afternoons (weather permitting) between April and September we have a roll up, called 'Strollers'. These are open to members and non-members to have a friendly game.

As a member you can come and have a roll up at any time the rinks are available. We have some players who play just once or twice a week, others play every day; it's entirely up to you.

Q. What is a Strollers Session?

'Strollers' is what we call our informal afternoon roll-ups. Every Club has a different name for it. They are ideal sessions for new bowlers or those wanting a social afternoon. Strollers is played during the summer at 2pm every Monday and Thursday afternoons and if enough interest, 6pm on some Monday evenings, dependent on numbers.

Before the start of each session everyone selects a disc to decide which Rink you will be playing on. There will be a mix of new and experienced

bowlers present. You will play approx. 8 ends, roughly an hour, followed by a break for a cup of tea before continuing for another session, 8 ends.

The afternoon sessions normally finish around 4.30pm. It is all very friendly and casual but a great way to learn the basics of bowling.

During the winter we play at 2pm - 4pm on Thursday afternoon at the Indoor Club, Bridge Street, Leominster.

Q. How much is the annual membership?

People new to bowling get a **50% discount** on their Membership in the first year. There after we currently charge:

Q. What about instruction or coaching, is that costly?

We do not charge for any instruction or coaching that takes place on our bowling green.

Q. Are there any other costs to bowling?

Bowls is not an expensive sport, but as with any new venture there will be items you need to buy, that is why we only charge half the annual membership fee for the first year.

- The Green is our most expensive resource and we aim to keep it maintained to the highest standards.
This is why, when you join the Club, you are expected to buy a pair of proper bowling shoes. These vary in price, but you can expect to pay £30 – £100 for a new pair. Bowling shoes ensures your shoes that are

worn on the green have not picked up any disease that could spread to the Green.

- At some point you will want a set of your own bowls, these start at about £200 but you can pay £400 for some of the top coloured ones. We give advice on this so please don't buy until you have tried some and see what suits you as there are many types, as shown on our [Bowl bias](#) page.

Second-hand bowls are very often available, and a good set would be between £40 – £80.

All the time you only play 'Strollers' on a Monday or Thursday afternoon or come down for a roll-up or taster session when the green is free you do not need to wear a uniform, just comfortable clothes.

We collect £2.00 off everyone at 'Strollers' to help pay towards the tea and biscuits that are served half way.

- When you start playing in club competitions, and many of our competitions are designed to provide bowling opportunities for new bowlers, you will need some bowls clothing, grey below the waist and white above plus a set of waterproofs is advisable.
- Coloured Club shirts and green Club fleeces are available to order from the Club Secretary when you want to represent the Club in Friendly Matches or Competitions against other Clubs. The Club Captain or any of our more experienced members will happily advise on any of these aspects.
- We pay £2.00 entry fee per person for each Club Competition. This can be paid on the day or by completing an entry form at the start of the season. The entry fee goes towards the trophies and engraving.

A word of warning - most of our Club Competitions are all day events and everyone brings their own lunch to those.

- Lastly, the great bowling tradition ... Teas!

Refreshments are provided after every match and we do expect players to sit down for refreshments with your opponent after the game. When you play in a Club Friendly Match you would be expected to pay approximately £3.00 to cover the cost of the refreshments for yourself and your opponent.

Q. How do I play in a Friendly Match?

We have a building beside the Green called 'The Snug'.

There are several noticeboards in there where you can put your name down for:

- Friendly Match against another club;
- Club Competition;
- Ladies or Men's County competitions
- Mixed Tarmac League or Men's League Matches
- Offering help around the Club like cleaning, catering or mowing.

We are all volunteers and there is always something that needs doing. If you have any specific skills please let a committee members know.

We welcome anyone who would like to play in matches and meet bowlers from other clubs. The Snug also gives information on teams selected, any competition draws and other information available to members re rules and regulation.

Most friendly matches last about 3 hours followed by a meal, a critical element of bowls etiquette. Non-members are always welcome to join us for tea for a small contribution.

Q. How do I access the Sports & Social Club?

The Bowling Club is a sub section of Brimfield & Little Hereford Sports & Social Club.

As a member of the bowling section you are automatically a member of the parent club.

Other sub-sections include skittles in the winter, archery and football.

The Clubhouse is available for hire to members.

The facilities include a fully functioning kitchen, bar, four large changing rooms and disabled toilets, access and parking. There is plenty of parking available at the Club but if you do require a disabled parking please advise the Club Secretary so that it can be made available for you.

The Clubhouse is not open at all times but is always available when we have matches to access the changing rooms etc.

We store most of our Club bowls equipment in the purpose built Shed near the shelter.

Speak to a member to get the key location. Please don't take the key home!

Q. How do I get further coaching?

Our Club coaches and experienced players are very amenable to providing coaching either as a set session or a one-to-one. The Club Captain will always know who to ask for you.

If you would specifically like a Mentor speak to the Club Captain to arrange one for you. We have a number of very experienced bowlers who

regularly play competitively at the National Championships and they are always ready to assist and promote bowls.

Q. What happens during the winter months?

We have an Indoor Strollers session on Thursday afternoons during the winter months at Leominster Indoor Bowling Club.

Many of our members represent us on a Monday Evening in the Indoor/Outdoor League or play during the week in day and evening leagues and friendly matches for Leominster IBC.

At Brimfield & Little Hereford Sports and Social Club we hold social events including our Annual Presentation Evening, our regular January Sunday Carvery plus a range of different events such as Race Nights, Car Treasure Hunts, Quiz and Skittles Nights. Some of our members play in a Skittles League at the Club.

During the winter months, and of great value to us, we are thankful to some of our members who work tirelessly to kindly maintain the Green and surrounding areas on Monday Mornings. There is always plenty to do and the Green Team are always looking for volunteers.

No one needs to be alone in the 'closed' season.

If you have any ideas for social events, please be vocal and share your thoughts!

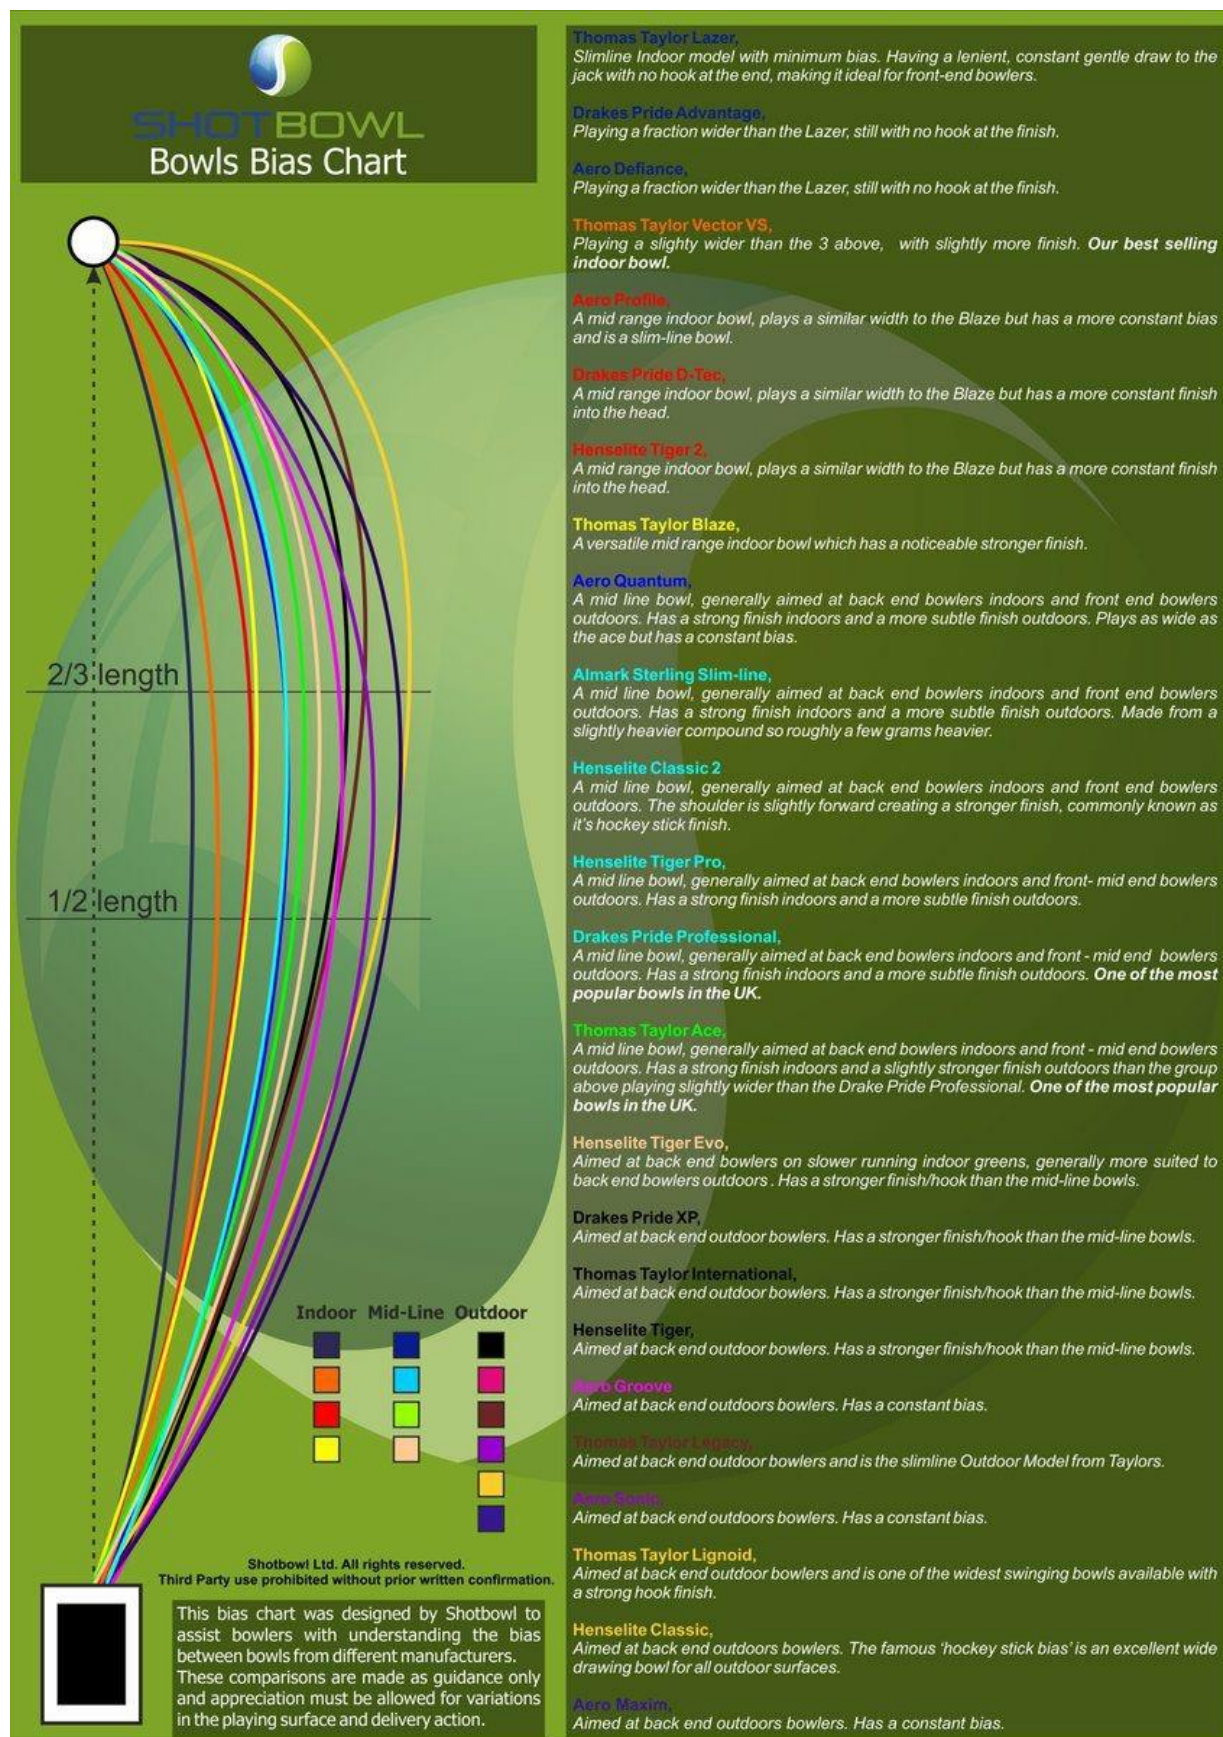

So, go on ... why not give it a try!

**We are a happy bunch of people
of all ages and abilities who love to be outdoors
in the summer on the bowling green,
having fun and socialising.**

**We encourage anyone who would like to be active
to exercise the mind and body in good company.**

Bowls Etiquette

Bowling green etiquette i.e. good manners

In order to make the game of bowls as enjoyable as possible bowling green etiquette should be demonstrated by members old and new.

Much of this is common sense but here are some of the main rules ...

- Show respect for your opponents by not arriving late, ensuring that you have sufficient time to change before the game. If you are the host, you should be at the Green at least half hour before the start of a match.
- Dress appropriately and ensure that you know the dress code for each game or match in which you are participating.
- Introduce yourself and shake hands with your opponent(s) both before play commences and after the game is complete.

1) During the game: 'Possession of the rink'

- Do not move around the head when your opponent is about to deliver their bowl. Stand well back from the head, keep quiet and do not do anything that would distract your opponent. Wait until the bowl has been delivered before moving. This includes the opposite Number Three. It is not your head.
- Bear in mind that some players like to see the rink boundary markers or centre mark when delivering their wood so make sure you are not obscuring them.
- If you are at the same end as the player delivering their bowl you must be behind the back of the mat, thus staying out of the player's line of vision. Don't be a distraction.
- You must stay behind the mat until your opponent's bowl has come to rest or they start to walk up the green. The person delivering the wood has ownership of the green until their wood comes to rest. Observe the rules.
- After you have delivered your wood and before it comes to rest, you have two options. If you want to track your bowls progress you must be behind the head as it comes to rest, i.e. beat your bowl to the head. If you don't track your wood, you must be behind the mat before your wood stops. Unless you are the Skip you must deliver two woods before you can track a wood up the green i.e. Front-end bowlers in Pairs, Triples and Rinks team or during a Singles match.
- When your opponent has 'possession of the rink' and is on the mat waiting to bowl they should not have to wait for you to stroll up the rink or get behind the mat. If your opponent remains to discuss the head and then wanders down, you can ask them to stop when you are in possession of the rink.

- When you are in possession of the rink you can ask them to step back from the head.
- It is not acceptable behaviour to wave your opponent's bowl away from the head.
- Don't criticise a fellow bowler. Encourage and respect good shots and accept that flukes and lucky wicks are part of the game. Sometimes they go for you and sometimes against.

2) Responsibilities of the team:

- **SKIPS DUTIES** - The skip will have sole charge of the team and all players in the team should follow the skip's instructions. The skip is responsible for ensuring the scorecard is completed.
- **THE THIRD** - The third measures any and all disputed shots, agrees the number of shots with the opposite three and tells the skip the number of shots scored.
- **THE TWO** - The two often gets given the job of filling in the scorecard for the skip. The 'home' two keeps the scoreboard up to date and helps the collect the woods after an end. The two takes on the responsibilities of the three in triples but must remember they are not the three in rinks and therefore should not interfere in the head unless asked to do so by the three.
- **THE LEAD** - The lead is responsible for ensuring the mat is placed at a legal length and delivers the jack correctly before the first bowl is delivered. It is not the lead's job to decide when to change the position of the mat, which is the decision of the skip. The opposite number one should take responsibility for moving the woods behind the mat before the start of a new end.

3) On the bank – Other bowlers and spectators:

- Please respect all games in progress. Don't chatter loudly on the bank when others are bowling, it's unthoughtful and distracting.
- Respect a good shot, by either side.
- Don't interrupt a bowler playing in a competition. It can affect their concentration and lose them the game.
- Do not coach from the bank. It is not allowed, unacceptable and disrespectful to opponents.

Finally, please enjoy your bowling. It is sociable and rewarding and can be the best game for individuals, couples and families alike.

Just remember ... All bowlers should respect others and know the Rules as laid down by the Laws of the Sport of Bowls. There is a copy in the Snug if you don't!

Bowls Disability Statement

Brimfield and Little Hereford Bowling Club believes bowls is for everyone regardless of their ability and this is enshrined in our constitution which states that the objectives of the Bowling Club shall be to provide adequate facilities and to promote and foster the game of bowls as played under the rules of Bowls England, for anyone interested in the sport regardless of sex, age, disability, ethnicity, nationality, sexual orientation, religion or other beliefs.

Disability need not be a drawback to participating in the sport as many disabled bowlers are able to compete equally with or against non-disabled bowlers.

Under the Laws of the Game it is permissible for bowlers with disabilities to use special equipment to enable them to compete.

At BLH we encourage disabled bowlers to compete alongside their non-disabled counterparts but could arrange specific sessions for any disabled members should it be required.

We have a qualified coach and members of the Club that have been trained in working with the disabled that can assist disabled people to participate in a game that is probably the most accessible game to people of all ages and abilities.

Our excellent facilities are disabled friendly as we have disabled parking spaces available, access both into the club and onto to the playing surface. We have a disabled toilet.

Access to specially adapted wheelchairs, which have wide wheels to make them suitable to run on the playing surface without causing it damage, can be investigated if required.

The Club is in the process of applying for the **Bowls Disability Mark** which recognises that it has passed a comprehensive series of qualifying requirements in order to offer a first-class experience to bowlers with a disability.

Whether you are an existing bowler with a disability and need a bit of extra assistance or you are not yet a bowler but have a disability and would like to try it, why not contact us?

We would love to hear from you.

Safeguarding Policy Section 1:

Safeguarding and Child Protection Policy

Brimfield and Little Hereford Bowling Club has considered its responsibilities to the young people participating in bowls at our premises and within our club very carefully and has produced the following Safeguarding and Child Protection Policy and underpinning procedures in order to set out the standards we wish to uphold in providing activities for children and safeguarding the welfare of children in our care.

The Club affiliates to the Bowls England National Governing Body and the Club recognises the policies of their Governing Body, as set in out in the "Safeguarding Bowls Guidelines".

1. Policy Statement

The Club acknowledge its duty of care to safeguard the welfare of all young people (defined as those under 18) involved in bowls within the club. All young people have a right to protection, and have their particular needs taken into account.

The Club will therefore endeavour to ensure the safety and protection of all young people involved with the club through the Child Protection guidelines adopted by the Management Committee of the club. It is the responsibility of all adults within the club to assist the Management Committee in this endeavour.

2. Policy Aims

- To provide young people with appropriate safety and protection whilst in the care of the club and also help them to enjoy their experience of the sport of bowls.
- To reassure parents that their children will receive the best practicable care possible whilst participating in activities within the club.
- To provide support to club members and volunteers to make informed and confident responses to specific child protection issues and to fulfil their role effectively.

3. Principles

- The welfare of young people is paramount.
- All young people, whatever their age, culture, disability, gender, language, ethnic origin and religious beliefs have the right to protection from abuse.
- All suspicions and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- All staff and volunteers working in bowls have a responsibility to report concerns to their Club Welfare Officer.
- Adults – club members, volunteers, coaches, referees and members will be supported to understand their role and responsibility with regard to the duty of care and protection of young people by the club and the National Governing Body.

Individuals will receive support through education and training, coordinated by the club/national governing body to be aware of and understand best practice and how to manage any welfare or child protection issues that may come to light.

- The Club will work in partnership with young people and parents to review and implement child protection and safeguarding procedures.
- The Club's policy and procedures are based on the above principles and UK and International legislation and Government guidance and take the following into consideration:
- The Children Act 1989 and 2004.
- Working Together to Safeguard Children 2015.
- The UN Convention on the Rights of the Child.
- Any subsequent legislation relating to child protection would implicitly be incorporated into this document.

4. Responsibilities and Communication

- The Club's Child Protection Policy will be available to all members, parents, staff, volunteers and participants.
- The Policy will be reviewed every three years by the Management Committee and amended as appropriate. Guidance from Bowls National Governing Bodies will be sought as part of the review process.
- The Management Committee has responsibility for ensuring that the policy and procedures are implemented, including referring any appropriate disciplinary action to the national governing body as appropriate.
- The Club Welfare Officer has responsibility for responding to any allegations, concerns or child protection incidents, passing information to the appropriate National Governing Body Designated Safeguarding Officer and informing the appropriate club staff where relevant.
- Parents have a responsibility to work together with the club in implementing procedures and providing their children with the necessary information to keep themselves safe.

5. Monitoring and review

- This policy will be reviewed one year after being introduced and then every three years or in response to significant new legislation. The policy will be monitored in partnership with the national governing body and Bowling Development Alliance procedures.

Safeguarding Policy Section 2:

Safeguarding Adults at Risk Policy

Brimfield and Little Hereford Bowling Club affiliates to the Bowls England National Governing Body and the Club recognises the policies of their Governing Body, as set in out in the "Safeguarding Bowls Guidelines".

Policy Aims

- The purpose of this policy is to outline the duty and responsibility of staff/volunteers working on behalf of the Club in relation to Safeguarding Adults at risk.
- All adults have the right to be safe from harm and must be able to live free from fear of abuse, neglect and exploitation.

Objectives

- Everyone who participates in bowls is entitled to do so in a safe and enjoyable environment.
- The Club is committed to helping everyone in bowls accept their responsibility to safeguard adults at risk, from harm and abuse.
- All suspicions and allegations of abuse and poor practice will be taken seriously and responded to swiftly and appropriately.
- Staff and volunteers working with adults at risk in bowls have a responsibility to report concerns to the Club Welfare Officer.

Definition of an Adult at Risk?

- An Adult (a person aged 18 or over) who 'is or may be in need of community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation'. (*Definition from the Department of Health 2002*)
- This could include people with learning disabilities, mental health problems, older people and people with a physical disability or impairment. It may also include victims of domestic abuse, hate crime and anti- social behavior. The persons' need for additional support to protect themselves may be increased when complicated by additional factors, such as, physical frailty or chronic illness, sensory impairment, challenging behavior, drug or alcohol problems, social or emotional problems, poverty or homelessness.

Types of Abuse

The Department of Health in its 'No Secrets' 2000 report suggests the following as the main types of abuse:

- **Physical abuse** – including hitting, slapping, pushing, kicking, misuse of medication, restraint, or inappropriate sanctions.
- **Sexual abuse** – including rape and sexual assault or sexual acts to which the vulnerable adult has not consented or could not consent or was pressured into consenting.
- **Psychological abuse** – including emotional abuse, threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, isolation or withdrawal from services or supportive networks.
- **Financial or material abuse** – including theft, fraud, exploitation, pressure in connection with wills, property or inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- **Neglect and acts of omission** – including ignoring medical or physical care needs, failure to provide access to appropriate health, social care or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.
- **Discriminatory abuse** – including race, sex, culture, religion, politics, that is based on a person's disability, age or sexuality and other forms of harassment, slurs or similar treatment, hate crime.
- **Institutional abuse** – Institutional abuse although not a separate category of abuse in itself, requires specific mention simply to highlight that adults

placed in any kind of care home or day care establishment are potentially vulnerable to abuse and exploitation. This can be especially so when care standards and practices fall below an acceptable level as detailed in the contract specification.

- **Multiple forms of abuse** – Multiple forms of abuse may occur in an ongoing relationship or an abusive service setting to one person, or to more than one person at a time, making it important to look beyond single incidents or breaches in standards, to underlying dynamics and patterns of harm. Any or all of these types of abuse may be perpetrated as the result of deliberate intent and targeting of adults at risk, negligence or ignorance.

Responsibilities and Communication

- The Club's Safeguarding Policy will be available to all members, parents, staff, volunteers and participants. It is important that adults at risk are protected from abuse. All complaints, allegations or suspicions must be taken seriously with the Club Welfare Officer passing information to the appropriate National Governing Body Designated Safeguarding Officer and informing the appropriate club staff where relevant.
- The Club has responsibility for ensuring that the policy and procedures are implemented, including referring any appropriate disciplinary action to the national governing body as appropriate.

The Role of Key Individual Agencies

- **Adult Social Services** – The Department of Health's recent 'No secrets' guidance document requires that authorities develop a local framework within which all responsible agencies work together to ensure a coherent policy for the protection of vulnerable adults at risk of abuse. All local authorities have a Safeguarding Adults Board, which oversees multi-agency work aimed at protecting and safeguarding vulnerable adults. It is normal practice for the board to comprise of people from partner organisations who have the ability to influence decision making and resource allocation within their organisation.
- **The Police** – The Police play a vital role in Safeguarding Adults with cases involving alleged criminal acts. It becomes the responsibility of the police to investigate allegations of crime by preserving and gathering evidence. Where a crime is identified, the police will be the lead agency and they will direct investigations in line with legal and other procedural protocols.

Legal Framework

- The Government guidance 'No Secrets', published in 2000, sets out a code of practice for the protection of adults at risk:

www.gov.uk/government/publications/no-secrets-guidance-on-protecting-vulnerable-adults-in-care

The Care Act (2014), which came into force from April 2015, sets out for the first time a legal framework for safeguarding adults. Each Local Authority must have a Safeguarding Adults Board (SAB) that includes the local authority, NHS and police. SABs must meet regularly, develop shared safeguarding plans and publish an annual review of progress. SABs will carry out Safeguarding Adults Reviews in some circumstances relating to

safeguarding failures. The Act also introduces a responsibility for Local Authorities to make enquiries and take any necessary action if an adult with care and support needs could be at risk, even if that adult isn't receiving local authority care and support.

- Human Rights Act 1998, the Mental Capacity Act 2005 and Public Interest Disclosure Act 1998
- Data Protection Act 1998, Freedom of Information Act 2000, Safeguarding Vulnerable Groups Act 2006, Deprivation of Liberty Safeguards, Code of Practice 2008
- The Mental Capacity Act 2005, covering England and Wales, provides a statutory framework for people who lack capacity to make decisions for themselves, or who have capacity and want to make preparations for a time when they may lack capacity in the future. It sets out who can take decisions, in which situations, and how they must go about this.

Monitoring and Review

- This policy will be reviewed one year after being introduced and then every three years or in response to significant new legislation by the Management Committee and amended as appropriate. Guidance from Bowls National Governing Bodies will be sought as part of the review process.
- The policy will be monitored in partnership with the National Governing Body and Bowls Development Alliance procedures.
